

# MAY BE THREE LINES.

**Rock Island Surveyors Running Line Parallel to Katy and Frisco.**  
Oklahoma City, March 7.—Indications point largely toward a third line from this city to Coalgate, and if such is the case Oklahoma City will have three roads paralleling each other to the great coal fields that surround Coalgate. Then we will have coal "for a song." The attention of a Times-Journal man was today called to the fact that the Rock Island has surveyed a line from this city to Coalgate and that the line crosses the Frisco survey several times between here and that point. From Ada to Coalgate the Rock Island, Katy and Frisco parallel each other on nearly a straight line. The Rock Island has finished its survey from Ada to Coalgate but the exact location of survey near this city could not be learned. A portion of the survey was made before the Rock Island secured possession of the Choctaw, but now since the Katy and Frisco have taken an active interest in the southwestern field, it is understood that the Rock Island will jump in and get a line into that territory as soon as possible. This news comes from a reliable source and the statement was made that the Frisco was napping but now has awakened and will take advantage of the best survey possible, notwithstanding the many places the Rock Island survey crosses the line it is now locating.

# Colds Are Dangerous.

How often you hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency toward pneumonia. It always cures and is pleasant to take. Sold by City Drug Store, F. J. Ramsey and Ardmore Drug Co.

# HEWITT.

**Special Correspondence.**  
Hewitt, I. T., Mar. 4.—The most of the Hewitt people have been to Ardmore this week after feed, and report the road almost impassable.

Grandma Wooten is still very sick. A hide buyer is in our town. Of course he is doing a bug business.

Miss Jesse's school is progressing nicely. Two married ladies are in attendance. They are Mrs. W. A. Darling and Mrs. B. F. Ward. We have about seventy pupils enrolled.

Your correspondent was in Ardmore Monday and returned Tuesday, and says he won't go to town any more until the roads get in better condition.

Business in our burg is very dull.

**So Sweet and Pleasing in Taste.**  
Mrs. C. Patterson, 625 Lake St., Topeka, Kan., speaking of Ballard's Horehound Syrup, says: "It has never failed to give entire satisfaction, and of all cough remedies it is my favorite, and I must confess to my many friends that it will do, and has done, what is claimed for it—to speedily cure a cough or cold; and it is so sweet and so pleasing in taste." 25c, 50c and \$1 bottles at W. B. Frame's.

It takes money to run a newspaper. —Muskogee Phoenix.

What an exaggeration; what a whopper. It has been disproved a thousand times; it is a clear case of air fancy. It is a charitable institution, a begging concern, a highway robber. Godfrey the newspaper is a child of the air, a creature of a dream. It can go on and on, when any other concern would be in the hands of a receiver and wound up with cobwebs in the window.

It takes wind to run a newspaper; it takes gall to run a newspaper. It takes a scintillating acrobatic imagination and a half dozen white shirts and a railroad pass to run a newspaper. But, money—heavens to Betsey and six hands round, whoever needed money to run a newspaper! Kind words are the medium of exchange that do the business for the editor—kind words and church social tickets. —Durant News.

# Well Again.

The many friends of John Blount will be pleased to learn that he has entirely recovered from his attack of rheumatism. Chamberlain's Pain Balm cured him after the best doctors in town, Monon, Ind., had failed to give relief. The prompt relief from pain which this liniment affords is alone worth many times its cost. For sale by City Drug Store, F. J. Ramsey and Ardmore Drug Co.

Some young men think they are so sweet that they expect a girl to hold their hands all the time.

# The Stomach Is the Man.

A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength can be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach can not digest enough food to feed the tissues and revive the tired and run down limbs and organs of the body. Kodol Dyspepsia Cure cleanses, purifies, sweetens and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. City Drug Store.
